

## **Gishewaadiziwin Health Access Centre Job Posting**

### **Registered Nurse – Diabetes Educator**

#### **Summary of Position:**

The Gishewaadiziwin Health Access Centre is currently accepting applications for a full time Registered Nurse – Diabetes Educator. The RN-Diabetes Educator reports to the Clinical Programs Manager. The RN-Diabetes Educator works within a team of the RN and Registered Dietitian within the Aboriginal Diabetes Education Program. As a part of the Gishewaadiziwin Health Access Centre, the RN-Diabetes Educator will act as a resource for clients, and health professions within the centre and the region. The nurse will function within the scope of practice of a Registered Nurse and within current Diabetes Education Standards and directives at GHAC to provide for the needs of the client in managing diabetes.

#### **Qualifications:**

- Graduate from an accredited School of Nursing
- Preference will be given to a registered nurse with a minimum of 2 years experience in a clinical diabetes education program
- Certified Diabetes Educator designation by the Canadian Diabetes Educators Certification Board is preferred. Consideration will be given to candidates that are eligible and willing to obtain their Certification within a 2 year period.
- Knowledge, experience and certification in insulin adjustment therapy.
- Previous experience in a primary health care practice
- Good standing with the College of Nurses of Ontario
- Valid Ontario Drivers License

#### **Desired:**

- Previous experience working with Aboriginal people and organizations and ability to speak Ojibway, a definite asset
- Current CPR and First Aid certification

Qualified applicants are invited to submit a resume, covering letter, 3 work related references and written authorization to contact references no later than 4:00 p.m., Friday, October 20<sup>th</sup>, 2017.
